

Triage Cancer Estate Planning Toolkit: Wisconsin

Part II: Understanding Estate Planning Documents in Your State

State Laws About Wills

A will is a legal document that provides instructions for what you would like to have happen to your property upon death. A will is also a place where parents can name a guardian for any minor children or adult children with developmental disabilities.

Wisconsin probate courts accept written, statutory, and handwritten wills. To make a valid written will in Wisconsin:

1. You need to be in the right state of mind to create a will. This means you need to be:
 - At least 18 years old
 - Of “sound mind” (meaning you know what you’re doing)
2. You need to sign the will or authorize someone to do so for you, in front of two witnesses who have watched you sign or authorize someone else to sign the will, and understand what they are signing.
3. Your will does not need to be notarized to be legal in Wisconsin, but you might want to make your will “self-proving,” or accepted in probate court without the court needing to contact your witnesses. To do this, you and your witnesses must sign an affidavit affirming the will in front of a notary.

Wisconsin state legislature created the statutory will form to make this process more accessible. With this free will form, you can execute your will by filling in the blanks and signing it in front of two witnesses (who meet the same requirements for a written will).

The benefits of this statutory will are that it is free to complete, and you can complete it on your own, without hiring an attorney. The downsides of a statutory will are that they cannot be customized. Therefore, statutory best for very simple estates. Part III of this toolkit includes a sample form.

To make a valid handwritten will in Wisconsin:

1. You need to be in the right state of mind to create a will. This means you need to be:
 - At least 18 years old
 - Of “sound mind” (meaning you know what you’re doing)
2. Your will must be written entirely in your handwriting and you must sign it in front of two witnesses who have watched you sign or authorize someone else to sign the will, and understand what they are signing.

Most estate planning experts do not recommend relying on holographic wills because it is more difficult to prove that they are valid in probate court.

State Laws About Financial Powers of Attorney

A power of attorney for financial affairs is a legal document where you (the principal) name a trusted adult (the agent) who is authorized to make financial decisions on your behalf.

Wisconsin's statutory form for power of attorney allows you to choose someone to manage your finances, including assets like your property, taxes, and government benefits. You can also choose an alternate agent, who will take charge separately if the first person cannot act, or can oversee your finances jointly if you indicate this preference in the "special instructions" section. This person can make all financial decisions for you, or you can limit their powers to specific areas, like filing taxes or banking. Unless you indicate otherwise in the "special instructions" section, this document takes effect immediately after you sign it, and will remain in effect if you become incapacitated. This document will remain in effect until you die, unless you revoke your power of attorney.

If you nominate your spouse or domestic partner as your agent, this will automatically be revoked if your marriage or partnership dissolves.

Part III of this toolkit includes a sample form.

State Laws About Advance Health Care Directives

An advance health care directive is a legal document you can use to provide written instructions, or state preferences, about your medical care in case you become unable to communicate. The **Wisconsin Advance Directive** includes the following:

Wisconsin Power of Attorney for Health Care: This form lets you choose someone (your "health care agent") to make medical decisions for you any time you cannot make them yourself, including decisions about life-sustaining care, organ donation, and funeral arrangements. You can also choose an alternate person to make these decisions if the first person you chose isn't available. You can include detailed instructions for these decisions, including whether to keep them in place if you are pregnant when this document goes into effect. If there are other directions you want your proxy to follow, you can share those in the "other directions" section.

The Power of Attorney for Health Care takes effect if your doctor determines you are unable to make or communicate health care decisions, and confirms this with another doctor.

Declaration to Physicians: This is also called a living will. This is where you state your wishes about life-sustaining care in advance, in case you become unconscious or unable to make them due to a terminal condition. This includes decisions about what procedures (like artificial nutrition or hydration) you would like, and under what circumstances (terminal condition or vegetative state).

Signature and Witnessing Provisions: You must sign your advance health care directive in front of two adult witnesses. Your witnesses cannot be:

- Your agent
- Related to you
- Entitled to, or have a claim against, any of your assets
- Directly financially responsible for your health care
- Your health care provider or their employee, unless they are a chaplain or social worker
- An employee of your inpatient health care facility, unless they are a chaplain or social worker

You can change the directions in your advance health care directive at any time, by destroying the document, creating a dated and signed revocation, creating a new directive, or orally revoking this document in front of two witnesses at least 18 years old and notifying your doctor.

Part III of this toolkit includes a sample form.

State Laws About POLST/MOLST

A physician order for life-sustaining treatment (POLST) is a medical order completed by a seriously ill person and signed by a physician. In Wisconsin, this document is called a physician order for scope of treatment (POST). The POST does not replace an advance directive. You can complete a POST form with your doctor.

This form lets you indicate your preferences for:

- Cardiopulmonary resuscitation orders (also known as a “Do not resuscitate,” or DNR order)
- Medical Interventions, ranging from all medical and surgical treatments available to prolong your life, selective treatments to restore your health while avoiding burdensome procedures, or comfort-focused treatments to manage symptoms and allow natural death
- Medically assisted nutrition and hydration, or food and fluids offered through surgically-placed tubes
- Additional orders or instructions for your care

This form will not expire, so it is important for you and your physician to review it regularly to make sure it still reflects your wishes.

You can find this form in Part III of this toolkit.

State Laws About Funeral Designation Forms

Funeral designation forms allow you to tell your loved ones what you would like to happen to your remains after you pass away. These forms can be used to choose someone to control what happens to your remains after your death, specify what you would like to have happen, and other wishes depending on your state.

A **Wisconsin Authorization for Final Disposition** form allows you to designate a trusted person (your “representative”) to carry out your funeral plan, or create one for you, and provide instructions for the disposal of your remains. You can also choose an alternate person if the first person you choose is not available. This could include whether you would like to be cremated or buried, and if there are any religious traditions you would like to be honored.

Part III includes a sample form.

State Laws About Death with Dignity

“Death with Dignity” laws, or physician-assisted dying/aid-in-dying laws, allow certain terminally ill people to voluntarily and legally request and receive a prescription medication from their physician to hasten their death in a peaceful, humane, and dignified way. By adding a voluntary option to the continuum of end-of-life care, these laws can give you dignity, control, and peace of mind during your final days with family and loved ones.

Wisconsin does not have a death with dignity law. But, you can indicate other decisions related to end-of-life care through an advance health care directive.

Federal Law About HIPAA

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law that protects the privacy of your health information. HIPAA does allow your protected health information to be shared with your personal representative who has authority to make health care decisions for you (i.e., your health care agent or proxy).

To guarantee your agent’s access to information, a HIPAA authorization form should be signed and dated by you. Also, it must identify the information to be disclosed, the purpose of the disclosure, the recipients of the information, and an expiration date. This means that any advance health care directives should be clear about the scope of your agent’s authority to receive protected health care information.

You can revoke a HIPAA authorization form at any time by notifying your health care provider in writing.

Part III of this toolkit includes a sample HIPAA authorization form. For more information:

The following is the full text of paragraph 2.1 of the Wisconsin basic will and the basic will with trust:

If my spouse survives me, I give my spouse all my books, jewelry, clothing, personal automobiles, recreational equipment, household furnishings and effects, and other tangible articles of a household, recreational or personal use, together with all policies of insurance insuring any such items. If my spouse does not survive me, the personal representative shall distribute those items among my children who survive me, and shall distribute those items in as nearly equal shares as feasible in the personal representative's discretion. If none of my children survive me, the items described in this paragraph shall become part of the residuary estate.

History: 1983 a. 376.

853.58 Residuary estate; basic will. The following is the full text of the property disposition clauses referred to in paragraph 2.3 of the Wisconsin basic will:

(a) TO MY SPOUSE IF LIVING; IF NOT LIVING, THEN TO MY CHILDREN AND THE DESCENDANTS OF ANY DECEASED CHILD BY RIGHT OF REPRESENTATION.

If my spouse survives me, then I give all my residuary estate to my spouse. If my spouse does not survive me, then I give all my residuary estate to my descendants by right of representation who survive me. If my spouse and descendants do not survive me, the personal representative shall distribute my residuary estate to my heirs at law, their identities and respective shares to be determined according to the laws of the State of Wisconsin in effect on the date of my death.

(b) TO BE DISTRIBUTED AS IF I DID NOT HAVE A WILL:

The personal representative shall distribute my residuary estate to my heirs at law, their identities and respective shares to be determined according to the laws of the State of Wisconsin in effect on the date of my death.

History: 1983 a. 376.

853.59 Residuary estate; basic will with trust. The following is the full text of the property disposition clause referred to in paragraph 2.3 of the Wisconsin basic will with trust, except that if a different age is specified by the testator in the Wisconsin basic will with trust, that specified age is substituted for 21 years in this section:

(a) TO MY SPOUSE IF LIVING; IF NOT LIVING, THEN IN ONE TRUST TO PROVIDE FOR THE SUPPORT AND EDUCATION OF MY CHILDREN AND THE DESCENDANTS OF ANY DECEASED CHILD UNTIL I HAVE NO LIVING CHILD UNDER 21 YEARS OF AGE.

(1) If my spouse survives me, then I give all my residuary estate to my spouse.

(2) If my spouse does not survive me and if any child of mine under 21 years of age survives me, then I give all my residuary estate to the trustee, in trust, on the following terms:

(A) As long as any child of mine under 21 years of age is living, the trustee shall distribute from time to time to or for the benefit of any one or more of my children and the descendants of any deceased child (the beneficiaries) of any age as much, or all, of the principal or net income of the trust or both, as the trustee deems necessary for their health, support, maintenance and education. Any undistributed income shall be accumulated and added to the principal. "Education" includes, but is not limited to, college, vocational and other studies after high school, and reasonably related living expenses. Consistent with the trustee's fiduciary duties, the trustee may distribute trust income or principal in equal or unequal shares and to any one or more of the beneficiaries to the exclusion of other beneficiaries. In deciding on distributions, the trustee may take into account the beneficiaries' other income, outside resources or sources of support, including the capacity for gainful employment of a beneficiary who has completed his or her education.

(B) The trust shall terminate when there is no living child of mine under 21 years of age. The trustee shall distribute any remaining principal and accumulated net income of the trust to my descendants by right of representation who are then living. If principal becomes distributable to a person under legal disability, the trustee may postpone the distribution until the disability is removed. In that case, the assets shall be administered as a separate trust under this Wisconsin basic will with trust and the net income and principal shall be applied for the benefit of the beneficiary at such times and in such amounts as the trustee considers appropriate. If the beneficiary dies before the removal of the disability, the remaining assets shall be distributed to his or her estate.

(3) If my spouse does not survive me and if no child of mine under 21 years of age survives me, then I give all my residuary estate to my descendants by right of representation who survive me. If my spouse and descendants do not survive me, the personal representative shall distribute my residuary estate to my heirs at

While it is not required that you sign this document in the presence of a notary, acknowledged signatures create a lawful presumption of genuineness and will be more easily accepted by businesses and financial institutions.

This document is effective immediately when executed unless you state a future date or occurrence that will activate the powers expressed in this form.

This Power of Attorney for Finances is “durable” (does not terminate upon the principal’s incapacity) unless you specifically state that it terminates if you become incapacitated.

If you name your spouse or domestic partner as your agent and the marriage or domestic partnership is terminated (annulment or divorce), this document becomes invalid unless the special instructions in this document state that such an action will not terminate the authority given to the agent.

If you used a former state Power of Attorney for Finances form, that form is still valid. Executing a new Power of Attorney for Finances does not, automatically, revoke a prior document.

If you wish to change this Power of Attorney for Finances in the future, you must complete a new document and revoke this one. You may revoke this document at any time; a suggested method is a written and dated statement expressing your intent to revoke this document. If you revoke this document, you should notify your agent and any other persons or entities that have a copy.

In general, an agent who is not the principal’s spouse or domestic partner may not use the principal’s property for the benefit of the agent or a person to whom the agent owes an obligation of support. Gifting to others is also generally not allowed².

Your agent is entitled to reasonable compensation unless you state otherwise in the special instructions. This document does not give your agent the power to make medical, long-term care or other health care decisions for you.

Once your Power of Attorney for Finances form is completed and signed, send a copy of this document to your financial contacts (e.g. your bank, stockbroker, mortgage company, insurance agent, etc.) Give a copy to your agent and alternate agents as well as to trustworthy family members and/or to your attorney. Finally place a copy in a safe place in your home along with a list of who has a copy of the document.

**WISCONSIN STATUTORY
POWER OF ATTORNEY FOR
FINANCES AND PROPERTY
IMPORTANT INFORMATION**

This Power of Attorney authorizes another person (your agent) to make decisions concerning your property for you (the principal). Your agent will be able to make decisions and act with respect to your property (including your money) whether or not you are able to act for yourself. The meaning of authority over subjects listed on this form is explained in the Uniform Power of Attorney for Finances and Property Act in Chapter 244 of the Wisconsin Statutes.

This Power of Attorney does not authorize the agent to make health-care decisions for you.

You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent's authority will continue until you die or revoke the Power of Attorney or the agent resigns or is unable to act for you.

Your agent is entitled to reasonable compensation unless you state otherwise in the special instructions.

This form provides for designation of one agent. If you wish to name more than one agent, you may name a co-agent in the special instructions. Co-agents are not required to act together unless you include that requirement in the special instructions.

If your agent is unable or unwilling to act for you, your Power of Attorney will end unless you have named a successor agent. You may also name a 2nd successor agent.

This Power of Attorney becomes effective immediately unless you state otherwise in the special instructions. This Power of Attorney does not revoke any Power of Attorney executed previously unless you so provide in the special instructions.

If you revoke this Power of Attorney, you should notify your agent and any other person to whom you have given a copy. If your agent is your spouse or domestic partner and your marriage is annulled or you are divorced or legally separated or the domestic partnership is terminated after signing this document, the document is invalid.

If you have questions about the Power of Attorney or the authority you are granting to your agent, you should seek legal advice before signing this form.

Instructions to Complete the Power of Attorney for Health Care Form

To Whom It May Concern:

Enclosed is the Power of Attorney for Health Care form you requested. The Power of Attorney for Health Care form makes it possible for adults in Wisconsin to authorize other individuals (called health care agents) to make health care decisions on their behalf should they become incapacitated. It may also be used to make or refuse to make an anatomical gift (donation of all or part of the human body to take effect upon the death of the donor).

Be sure to read all six (6) pages of the form carefully and understand it before you complete and sign it. Talk with those you select as your health care agent and the alternate health care agent about your thoughts and beliefs about medical treatment. Neither the health care agent nor the alternate may be your health care provider, an employee of a health care facility in which you are a patient, or a spouse of any of those persons, unless he or she is also your relative.

Two witnesses are required. Witnesses must be at least 18 years of age, not related to you by blood, marriage, domestic partnership, or adoption, and not directly financially responsible for your health care. A witness cannot be a health care provider who is serving you at the time the document is signed or an employee of the health care provider unless the employee is a chaplain or social worker. A witness cannot be an employee of an inpatient health care facility in which you are a patient, unless the employee is a chaplain or social worker. A witness cannot be your health care agent nor have a claim on any portion of your estate. Valid witnesses acting in good faith are immune from civil or criminal liability.

An original signed form may be kept on file with your physician or other primary care provider. A signed Power of Attorney for Health Care form may also be kept in a safe, easily accessible place until needed. You should make relatives and friends aware that you have created a Power of Attorney for Health Care and the location where it is kept. Relatives and friends should also be told whom you select as the health care agent and the alternate. The document may, but is not required to be, filed for safekeeping, for a fee, with the Register in Probate of your county of residence. The fee for filing with the Register in Probate has been set by State Statute at \$8.00. A Power of Attorney for Health Care that is an original signed form or is a legible photocopy or electronic facsimile copy is presumed to be valid. If you have both a Power of Attorney for Health Care and a Declaration to Physicians, the provisions of a valid Power of Attorney for Health Care supersede any directly conflicting provisions of a valid Declaration to Physicians.

One copy of the Power of Attorney for Health Care form is available free to anyone who sends a stamped, self-addressed, business-size envelope to: Power of Attorney, Division of Public Health, P.O. Box 2659, Madison, Wisconsin 53701-2659. You may make additional blank copies of the form you receive from the Division of Public Health. The form is also available on the Department of Health Services Web page, <https://www.dhs.wisconsin.gov/forms/advdirectives/index.htm>.

Who may sign a Power of Attorney for Health Care? An individual who is of sound mind and has attained age 18 may voluntarily execute a Power of Attorney for Health Care. An individual for whom an adjudication of incompetence and appointment of a guardian of the person is in effect under State Statute Chapter 54 is presumed not to be of sound mind.

Procedure for signing a Power of Attorney for Health Care The principal (person creating the Power of Attorney for Health Care) and the witnesses all must sign the form at the same time.

When does it take effect? Unless otherwise specified in the Power of Attorney for Health Care instrument (form), an individual’s Power of Attorney for Health Care takes effect upon a finding of incapacity by 2 physicians, or a physician and a psychologist, as defined in State Statute 448.01 (5), or nurse practitioner, or physician assistant who personally examine the principal and sign a statement specifying that the principal has incapacity. Mere old age, eccentricity, or physical disability, either singly or together, is insufficient to make a finding of incapacity. Neither of the individuals who make a finding of incapacity may be a relative of the principal nor have knowledge that he or she is entitled to or has a claim on any portion of the principal’s estate. A copy of the statement, if made, shall be appended to the Power of Attorney for Health Care instrument.

Revocation A principal may revoke his or her Power of Attorney for Health Care and invalidate the Power of Attorney for Health Care instrument at any time by doing any of the following: canceling, defacing, obliterating, burning, tearing or otherwise destroying the Power of Attorney for Health Care instrument or directing another in the presence of the principal to so destroy the Power of Attorney for Health Care instrument; executing a statement, in writing, that is signed and dated by the principal, expressing the principal’s intent to revoke the Power of Attorney for Health Care; verbally expressing the principal’s intent to revoke the Power of Attorney for Health Care in the presence of 2 witnesses; or, executing a subsequent Power of Attorney for Health Care instrument. The principal’s health care provider shall, upon notification of revocation of the principal’s Power of Attorney for Health Care instrument, record in the principal’s medical record the time, date and place of the revocation and the time, date and place, if different, of the notification to the health care provider of the revocation.

Immunities No health care facility or health care provider may be charged with a crime, held civilly liable, or charged with unprofessional conduct for any of the following: certifying incapacity under State Statute 155.05 (2), if the certification is made in good faith based on a thorough examination of the principal; failing to comply with a Power of Attorney for Health Care instrument or the decision of a health care agent, except that failure of a physician to comply constitutes unprofessional conduct if the physician refuses or fails to make a good faith attempt to transfer the principal to another physician who will comply; complying, in the absence of actual knowledge of a revocation, with the terms of a Power of Attorney for Health Care instrument that is in compliance with Chapter 155; complying with the decision of a health care agent that is made under a Power of Attorney for Health Care that is in compliance with Chapter 155; acting contrary to or failing to act on a revocation of a Power of Attorney for Health Care, unless the health care facility or health care provider has actual knowledge of the revocation; or, failing to obtain the health care decision for a principal from the principal’s health care agent, if the health care facility or health care provider has made a reasonable attempt to contact the health care agent and obtain the decision but has been unable to do so. No health care agent may be charged with a crime or held civilly liable for making a decision in good faith under a Power of Attorney for Health Care instrument that is in compliance with Chapter 155. No health care agent who is not the spouse of the principal may be held personally liable for any goods or services purchased or contracted for under a Power of Attorney for Health Care instrument.

General provisions The making of a health care decision on behalf of a principal under the principal’s Power of Attorney for Health Care instrument does not, for any purpose, constitute suicide. No individual may be required to execute a Power of Attorney for Health Care as a condition for receipt of health care or admission to a health care facility. No insurer may refuse to pay for goods or services covered under a principal’s insurance policy solely because the decision to use the goods or services was made by the principal’s health care agent.

Important:

You must keep pages 1-6 of the form together as your executed document. Copies distributed to health care providers, etc. must include pages 1 - 6.

POWER OF ATTORNEY FOR HEALTH CARE DOCUMENT NOTICE TO PERSON MAKING THIS DOCUMENT

You have the right to make decisions about your health care. No health care may be given to you over your objection, and necessary health care may not be stopped or withheld if you object.

Because your health care providers in some cases may not have had the opportunity to establish a long-term relationship with you, they are often unfamiliar with your beliefs and values and the details of your family relationships. This poses a problem if you become physically or mentally unable to make decisions about your health care.

In order to avoid this problem, you may sign this legal document to specify the person whom you want to make health care decisions for you if you are unable to make those decisions personally. That person is known as your health care agent. You should take some time to discuss your thoughts and beliefs about medical treatment with the person or persons whom you have specified. You may state in this document any types of health care that you do or do not desire, and you may limit the authority of your health care agent. If your health care agent is unaware of your desires with respect to a particular health care decision, he or she is required to determine what would be in your best interests in making the decision.

This is an important legal document. It gives your agent broad powers to make health care decisions for you. It revokes any prior power of attorney for health care that you may have made. If you wish to change your power of attorney for health care, you may revoke this document at any time by destroying it, by directing another person to destroy it in your presence, by signing a written and dated statement or by stating that it is revoked in the presence of two witnesses. If you revoke, you should notify your agent, health care provider(s), and any other person(s) to whom you have given a copy. If your agent is your spouse or your domestic partner, and your marriage is annulled or you are divorced or your domestic partnership is terminated after signing this document, the document is invalid.

You may also use this document to make or refuse to make an anatomical gift upon your death. If you use this document to make or refuse to make an anatomical gift, this document revokes any prior record of gift that you may have made. You may revoke or change any anatomical gift that you make by this document by crossing out the anatomical gifts provision in this document.

Do not sign this document unless you clearly understand it. It is suggested that you keep the original of this document on file with your physician or other primary care provider.

POWER OF ATTORNEY FOR HEALTH CARE

CREATION OF POWER OF ATTORNEY FOR HEALTH CARE

For the purposes of this document, "health care decision" means an informed decision to accept, maintain, discontinue, or refuse any care, treatment, service, or procedure to maintain, diagnose, or treat my physical or mental condition.

In addition, I may, by this document, specify my wishes with respect to making an anatomical gift upon my death.

Neither my health care agent nor my alternate health care agent whom I have designated is my health care provider, an employee of my health care provider, an employee of a health care facility in which I am a patient or a spouse of any of those persons, unless he or she is also my relative. For purposes of this document, "incapacity" exists if 2 physicians or a physician and a psychologist, nurse practitioner, or physician assistant who have personally examined me sign a statement that specifically expresses their opinion that I have a condition that means that I am unable to receive and evaluate information effectively or to communicate decisions to such an extent that I lack the capacity to manage my health care decisions. A copy of that statement must be attached to this document.

GENERAL STATEMENT OF AUTHORITY GRANTED

Unless I have specified otherwise in this document, if I ever have incapacity I instruct my health care provider to obtain the health care decision of my health care agent, if I need treatment, for all of my health care and treatment. I have discussed my desires thoroughly with my health care agent and believe that he or she understands my philosophy regarding the health care decisions I would make if I were able. I desire that my wishes be carried out through the authority given to my health care agent under this document.

If I am unable, due to my incapacity, to make a health care decision, my health care agent is instructed to make the health care decision for me, but my health care agent should try to discuss with me any specific proposed health care if I am able to communicate in any manner, including by blinking my eyes. If this communication cannot be made, my health care agent shall base his or her decision on any health care choices that I have expressed prior to the time of the decision. If I have not expressed a health care choice about the health care in question and communication cannot be made, my health care agent shall base his or her health care decision on what he or she believes to be in my best interest.

LIMITATIONS ON MENTAL HEALTH TREATMENT

My health care agent may not admit or commit me on an inpatient basis to an institution for mental diseases, an intermediate care facility for the persons with intellectual disability, a state treatment facility, or a treatment facility. 2. A community-based residential facility Yes ☐ No ☐

If I have not checked either “Yes” or “No” immediately above, my health care agent may admit me only for short-term stays for recuperative care or respite care.

PROVISION OF FEEDING TUBE

If I have checked “Yes” to the following, my health care agent may have a feeding tube withheld or withdrawn from me, unless my physician, physician assistant, or nurse practitioner has advised that, in his or her professional judgment, this will cause me pain or will reduce my comfort. If I have checked “No” to the following, my health care agent may not have a feeding tube withheld or withdrawn from me.

My health care agent may not have orally ingested nutrition or hydration withheld or withdrawn from me unless provision of the nutrition or hydration is medically contraindicated.

Withhold or withdraw a feeding tube Yes ☐ No ☐

If I have not checked either “Yes” or “No” immediately above, my health care agent may not have a feeding tube withdrawn from me.

HEALTH CARE DECISIONS FOR PREGNANT WOMEN

If I have checked “Yes” to the following, my health care agent may make health care decisions for me even if my agent knows I am pregnant. If I have checked “No” to the following, my health care agent may not make health care decisions for me if my health care agent knows I am pregnant.

State of Wisconsin
Department of Health Services

The Declaration to Health Care Professionals (Living Will) form makes it possible for adults in Wisconsin to state their preferences for life-sustaining procedures and feeding tubes in the event, the person is in a terminal condition or persistent vegetative state.

Be sure to read both sides of the form carefully, and understand before you complete and sign it.

The withholding or withdrawal of any medication, life-sustaining procedure or feeding tube may not be made if the attending physician, physician assistant, or advanced practice registered nurse advises that doing so will cause pain or reduce comfort, and the pain or discomfort cannot be alleviated through pain relief measures.

Two witnesses are required. Witnesses must be at least 18 years of age, not related to you by blood, marriage or adoption, and not directly financially responsible for your health care. Witnesses may not be persons who know they are entitled to or have a claim on any portion of your estate. A witness cannot be a health care provider who is serving you at the time the document is signed, an employee of the health care provider, other than a chaplain or a social worker, or an employee other than a chaplain or social worker of an inpatient health care facility in which you are a patient. Valid witnesses acting in good faith are immune from civil or criminal liability.

When you have completed and signed the form:

- The original signed form should be kept in a safe, easily accessible place until needed.
- You should make relatives and friends aware that you have signed the document and the location where it is kept.
- A copy of the signed form may be kept on file with your physician, physician assistant, or advanced practice registered nurse. You are responsible for notifying your attending physician, physician assistant, or advanced practice registered nurse of the existence of the Declaration. An attending physician, physician assistant or advanced practice registered nurse who is notified shall make the Declaration part of your medical records.
- The document may, but is not required to be, filed for safekeeping, for a fee, with the Register in Probate of your county of residence. The fee for filing with the Register in Probate has been set by State at \$8.

A Declaration that is in its original form or is a legible photocopy or electronic facsimile copy is presumed to be valid.

If you have both a Declaration to Health Care Professionals and a Power of Attorney for Health Care, the provisions of a valid Power of Attorney for Health Care supersede any directly conflicting provisions of a valid Declaration to Health Care Professionals.

Up to four copies of the Declaration to Health Care Professionals are available free to anyone who sends a stamped, self-addressed, business-size envelope to Living Will, Division of Public Health, PO Box 2659, Madison, Wisconsin 53701-2659. You may make additional copies of the enclosed blank form. The form is also available on the Department of Health Services Web page <https://www.dhs.wisconsin.gov/forms/advdirectives/index.htm>.

INSTRUCTIONS FOR DECLARATION TO HEALTH CARE PROFESSIONALS FORM

Definitions

“Declaration” means a written, witnessed document voluntarily executed by the declarant under State Statute (1), but is not limited in form or substance to that provided in State Statute 154.03(2).

“Department” means the Department of Health Services.

“Feeding tube” means a medical tube through which nutrition or hydration is administered into the vein, stomach, nose, mouth or other body opening of a qualified patient.

“Terminal condition” means an incurable condition caused by injury or illness that reasonable medical judgment finds would cause death imminently, so that the application of life-sustaining procedures serves only to postpone the moment of death.

“Persistent vegetative state” means a condition that reasonable, medical judgment finds constitutes complete and irreversible loss of all the functions of the cerebral cortex and results in a complete, chronic and irreversible cessation of all cognitive functioning and consciousness and a complete lack of behavioral responses that indicate cognitive functioning, although autonomic functions continue.

“Qualified patient” means a declarant who has been diagnosed, and certified in writing to be afflicted with a terminal condition or to be in a persistent vegetative state by two health care professionals and one of whom is a physician, who have personally examined the declarant.

“Attending health care professional” means a health care professional who has primary responsibility for the treatment and care of the patient.

“Advanced practice registered nurse” means a nurse licensed under ch. 154 who is currently certified by a national certifying body approved by the board of nursing as a nurse practitioner, certified midwife, certified registered nurse anesthetist, or clinical nurse specialist.

“Health care professional” means any of the following: a physician licensed under ch. 154, a physician assistant licensed under ch. 154, or an advanced practice registered nurse.

“Inpatient health care facility” has the meaning provided under State Statute 50.135(1) and includes community-based residential facilities as defined in State Statute 50.01(1g).

“Life-sustaining procedure” means any medical procedure or intervention that, in the judgment of the attending health care professional, would serve only to prolong the dying process but not avert death when applied to a qualified patient.

“Life-sustaining procedure” includes assistance in respiration, artificial maintenance of blood pressure and heart rate, blood transfusion, kidney dialysis and other similar procedures, but does not include (a) the alleviation of pain by administering medication or by performing a medical procedure; or (b) the provision of nutrition or hydration.

Procedures for Signing Declarations

A Declaration must be signed by the declarant in the presence of two witnesses. If the declarant is physically unable to sign a Declaration, the Declaration must be signed in the declarant’s name by one of the witnesses or some other person at the declarant’s express direction and in his or her presence; such a proxy signing shall either take place or be acknowledged by the declarant in the presence of two witnesses.

Effect of Declaration

The desires of a qualified patient who is competent supersede the effect of the Declaration at all times. If a qualified patient is incompetent at the time of the decision to withhold or withdraw life-sustaining procedures or feeding tubes, a Declaration executed under this chapter is presumed to be valid.

Revocation of Declaration

A Declaration may be revoked at any time by the declarant by any of the following methods:

- 1) By being canceled, defaced, obliterated, burned, torn or otherwise destroyed by the declarant or by some person who is directed by the declarant and who acts in the presence of the declarant.
- 2) By a written revocation, signed and dated by the declarant expressing the intent to revoke.
- 3) By a verbal expression by the declarant of his or her intent to revoke the Declaration, but only if the declarant or a person acting on behalf of the declarant notifies the attending physician, physician assistant, or advanced practice registered nurse of the revocation.
- 4) By executing a subsequent Declaration.

The attending physician, physician assistant, or advanced practice registered nurse shall record in the declarant's medical records the time, date and place of the revocation and time, date and place, if different, that he or she was notified of the revocation.

Liabilities

No physician, physician assistant, or advanced practice registered nurse, inpatient health care facility or health care professional acting under direction of a physician, physician assistant, or advanced practice registered nurse may be held criminally or civilly liable, or charged with unprofessional conduct of any of the following:

- 1) Participating in the withholding or withdrawal of life-sustaining procedures or feeding tubes under Ch. 154, subchapter II.
- 2) Failing to act upon a revocation unless the person or facility has actual knowledge of the revocation.
- 3) Failing to comply with a Declaration, except that failure by a physician, physician assistant, or advanced practice registered nurse to comply with a Declaration of a qualified patient constitutes unprofessional conduct if the physician, physician assistant, or advanced practice registered nurse refuses or fails to make a good faith attempt to transfer the patient to another physician, physician assistant, or advanced practice registered nurse who will comply with the Declaration.

I, _____

being of sound mind, voluntarily state my desire that my dying not be prolonged under the circumstances specified in this document. Under those circumstances, I direct that I be permitted to die naturally. If I am unable to give directions regarding the use of life-sustaining procedures or feeding tubes, I intend that my family and physician, physician assistant or advanced practice registered nurse, honor this document as the final expression of my legal right to refuse medical or surgical treatment.

In addition, the following are my directions regarding the use of feeding tubes:

☐ NO, I do not want feeding tubes used if I have a terminal condition.

If you have not checked either box, feeding tubes will be used.

**DIRECTIVES TO ATTENDING PHYSICIAN, PHYSICIAN ASSISTANT,
OR ADVANCED PRACTICE REGISTERED NURSE**

1. This document authorizes the withholding or withdrawal of life-sustaining procedures or of feeding tubes when a physician and another physician, physician assistant, or advanced practice registered nurse, one of whom is the attending health care professional, have personally examined and certified in writing that the patient has a terminal condition or is in a persistent vegetative state.
2. The choices in this document were made by a competent adult. Under the law, the patient's stated desires must be followed unless you believe that withholding or withdrawing life-sustaining procedures or feeding tubes would cause the patient pain or reduced comfort and that the pain or discomfort cannot be alleviated through pain relief measures. If the patient's stated desires are that life-sustaining procedures or feeding tubes be used, this directive must be followed.
3. If you feel that you cannot comply with this document, you must make a good faith attempt to transfer the patient to another physician, physician assistant, or advanced practice registered nurse who will comply. Refusal or failure to make a good faith attempt to do so constitutes unprofessional conduct.
4. If you know that the patient is pregnant, this document has no effect during her pregnancy.

Decisions on the POST form are voluntary, informed decisions. This POST form records your wishes for medical treatment in your current state of health if there is a medical emergency outside of the hospital.

During the course of your medical treatment risks and benefits of your chosen therapy may change. Your decisions and this form can be changed by you (or your agent or guardian) to reflect your new wishes at any time (contact your health care professional to make any changes to this form). No form can address all the medical treatment decisions that may need to be made. A Power of Attorney for Health Care (POAHC) is recommended for all capable adults, regardless of their health status. A POAHC is recommended for all capable adults and allows you to document in detail your general health care instructions and name a health care agent to speak for you if you are unable to speak for yourself. Consider reviewing your POAHC and giving a copy of it to your health care professional.
