

# Insurance & Finance Intensive

Attend this FREE training for health care professionals and advocates to learn how to mitigate the financial toxicity of a cancer diagnosis. Get answers to questions you didn't know to ask, about: the U.S. health care system; individual and employer-sponsored health insurance; Medicare, Medicaid, and other government programs; navigating disability insurance and appeals; and managing financial toxicity.

## From Past Attendees

"This is seriously the best training I've ever been to. You are both great presenters and so knowledgeable! I have learned so much today, both for personal & professional use. I cannot say enough about how valuable this training has been."

"This is the best conference I have attended (25 years' experience in health care). Informative. Excellent speakers - so helpful. Information needed and applicable to my practice. Thank you. Links to online resources and your website most appreciated!"

"Amazing class. I have never (literally never) found a class this helpful. THANK YOU"
