

Insurance & Finance Intensive

Attend this FREE training for health care professionals and advocates to learn how to mitigate the financial toxicity of a cancer diagnosis. Get answers to questions you didn't know to ask, about: the U.S. health care system; individual and employer-sponsored health insurance; Medicare, Medicaid, and other government programs; navigating disability insurance and appeals; and managing financial toxicity.

From Past Attendees

“By far, the most comprehensive training I have attended on cancer-related insurance and finances. Extremely knowledgeable, expert presenters who kept content flowing for entire 8 hours. Very appreciative of the depth and breadth of the materials and resources shared.”

“Amazing class. I have never (literally never) found a class this helpful. THANK YOU”

“I just wanted to thank you for putting together such a thorough presentation. I found a lot of clarity on how to better help my patients navigate insurance while also offering resources to better meet their needs.”

“Very informative presentation with a lot of valuable information that will benefit my patients and my practice as social worker.”
