Medicare: What's New in 2025?

JAN 30

Wondering about changes to Medicare in 2025? Join us to learn about updated costs & coverage rules. We will also share details about changes to the prescription drug benefit and the new Medicare Prescription Payment Plan.

Post-Election Advocacy: Getting Engaged

FEB 20

This webinar will explore the advocacy opportunities with a new Presidential Administration and Congress. Practical tips will be provided to help advocates positively impact the cancer community at the federal and state levels.

What to Know About Taking Time Off Work

MAR 27

This webinar will explain key laws related to taking time off work, such as FMLA, ADA, and state and local leave laws. Learn about your rights, the process for requesting leave, how laws work together, and what information you may need to disclose about your medical condition.

Understanding Your Disability Insurance Options

APR 24

This webinar will explain disability insurance options when you have a serious medical condition and need to take time off from work. Learn about the process to apply, application tips, what to do if your claim is denied, navigating benefits, and other options for caregivers.

Accessing & Paying for Clinical Trials

JUL 22

Clinical trials give us new treatments and other medical advances. This webinar will provide tips on how to find, qualify, and pay for clinical trials. It will also dispel common myths, and explain insurance coverage for clinical trials.

What to Do When an Insurance Company Says "No"

AUG 12

When an insurance company denies coverage for your care, you don't have to take "NO" for an answer. Learn about the appeals process for individual and employer-sponsored health plans, Medicare, and Medicaid.

Navigating Health Care: How to Plan Ahead

AUG 19

This session will explore these different types of health care services: palliative care, home health care, long-term care, and advance care planning. Learn how to access these health care services, understand how different types of insurance will cover these services, and get practical tips for navigating health care.

Close the Knowledge Gap: Key Tips for Open Enrollment

SEP 16

This webinar will take the mystery out of the open enrollment process. Attendees will learn basic health insurance terms and tips for comparing and picking health insurance plans.

What Should I Know About Medicare? - Part 1

OCT 9

Get ready for open enrollment! Learn about the different parts of Medicare, Medigap, and Medicare Advantage. We'll share strategies for the important decisions you can make this fall. We'll also share tips for using Medicare's Plan Finder, as well as explain how to compare options using our Medicare Options Comparison Worksheet.

What Should I Know About Medicare? - Part 2

NOV 19

Need information beyond open enrollment? Building on what you've learned during Part 1 of this series, we'll cover additional Medicare topics, such as the general & special enrollment periods, coordination of benefits, financial assistance with out-of-pocket costs, and what to do if a claim is denied.
