Legislative & Policy Watch 2026: Health-Related Updates

This webinar will provide an overview of key legislative and regulatory developments from the end of 2025 and look ahead into 2026. We'll cover the federal budget and funding outlook, outcomes of major court cases, and other policy changes related to health care that may impact you.

JAN 27

Decisions About Work: Accommodations, Leave, Disability, & Retirement

This webinar will provide tools for managing work and a cancer diagnosis, including how to continue working during treatment, take time off, replace lost income, understand retirement options, and navigate the insurance and financial implications of each decision.

FEB 24

Steps to Navigate Common Insurance Hurdles

Accessing health care can be challenging. This webinar will provide tips to understand and overcome common barriers such as prior authorizations, co-pay accumulators, alternative funding plans, step therapy, coverage denials, and more.

MAR 24

Medicare Made Simple: A Guide for First-Time Enrollees

Turning 65 or qualifying for Medicare through Social Security Disability Insurance? This webinar simplifies Medicare basics, including Parts A, B, C, & D, key enrollment deadlines, and how Medicare works with other coverage such as employer, retiree, and COBRA plans. Learn how to make the best choice for you.

APR 22

Coping with Stress

Uncertainty is something we all face, but for individuals living with serious health conditions & their caregivers, it can feel especially overwhelming. This webinar will explore why uncertainty weighs so heavily on our mental & emotional wellbeing, and provide practical strategies to manage stress, worry, and fear.

Beyond Medical Care: Finding the Help You Need

A serious medical diagnosis often brings legal, financial, and emotional challenges in addition to health concerns. This webinar will highlight resources that can help address these issues, including financial and legal assistance programs, mental health services, patient advocacy and navigation support, and other useful support services.

JUN 23

Managing Health Insurance Transitions

Life changes that impact your access to health insurance can feel stressful. This webinar will cover common health insurance transitions to ensure you stay covered. This includes moving between employer plans, options after losing an employer plan, and switching insurance when relocating.

JUL 22

Ready to Return: Understand Your Rights When Going Back to Work

This webinar will cover what to know when returning to work after cancer. Topics include rights and benefits available under the Americans with Disabilities Act (ADA), the Family and Medical Leave Act (FMLA), and state laws, including how to request reasonable accommodations and take job-protected leave.

AUG 26

Open Enrollment: Reviewing, Reevaluating, Renewing

This webinar will cover key information about the open enrollment process, including important deadlines and steps for reviewing, reevaluating, and renewing coverage - as well as picking new coverage.

SEP 22

Make the Most of Medicare Open Enrollment

Medicare's Open Enrollment Period is your annual opportunity to review and make changes to your coverage for the year ahead. Whether you are considering switching plans, exploring drug coverage options, or simply want to confirm that your current plan(s) still meets your needs, this webinar will walk you through the process.
