

Do You Work For an Advocacy Organization?

This webinar is for you.

Understanding Changes to Medicaid & the Marketplace: What Health Advocacy Organizations Need to Know

September 16 | 12:30pm - 2:00pm CT

Major changes to Medicaid and the Marketplace are coming. Learn how these changes may affect the communities you serve and how to help individuals and families navigate coverage transitions.

Who Should Attend?

- Advocacy organization staff
- We will be hosting separate webinars for patients, caregivers, and health care teams

You'll Learn:

- Key Medicaid and Marketplace changes
- 2027 updates for Medicare
- Coverage transition strategies
- Community impact
- Community support tools and resources
